Schedule “A” to Bylaw 330

2.12 Amenity Areas

OCP policy 2.2.12 states: “Public amenities may be offered through rezoning to justify an increase in density. Such amenities must be beneficial to the wider community, as well as the proposed development, and may be offered in recognition of the increased value of land resulting from rezoning.” Appendix A describes public amenities.

Amenity Areas – Objectives

- To provide appropriate amenities that offset negative impacts of developments;
- To further municipal policies as described in the OCP; and
- To assist integrating any new development into the community.

Specific Amenity Areas

Amenity 1 – Community Centre/Hall: In keeping with the OCP Long Term Vision Statement, Appendix A – Public Amenities, and to accomplish OCP policies 2.8.4, and 7.3.1, Amenity 1 has been specifically designated as a site for a mixture of residential and institutional uses. Specifically, the institutional use is for a community centre/hall. In order to achieve this community goal, the District may consider increasing the permitted residential density on a portion of Amenity 1 land in exchange for the donation of a portion of Amenity 1 land to use as a location for a community centre/hall.
